The Honorable Mrs. Anna Rosenberg
Assistant Secretary of Defense
Washington, D. C.

Dear Mrs. Rosenberg:

In accordance with our agreement of November 19, 1951, I am re-submitting the additional military personnel requirements of this Agency for the remainder of Fiscal Year 1952. The revised figure of [REDACTED] represents a reduction of [REDACTED] positions from that contained in our original request of October 25th. This reduction was made possible by eliminating those categories of personnel which you advised me were critically short in the Department of Defense, and also, as suggested by you, applying within our offices here an additionally severe test of military versus civilian requirement. The additional requirements are:

The above figures include the initial requirement to establish a cadre in accordance with National Security Council Directive 10/5. I will appreciate your assistance in making available for immediate detail a small group of your most capable officers to form the cadre for the orderly expansion of this program. Detailed requirements for 15 cadre officers are attached. I am asking [REDACTED] to coordinate these matters with General Lynch.
